WPMS No. 568 of 2001

Hon. P.C. Verma, J.

Heard learned counsel for the petitioner and the learned standing counsel.

By means of this petition, the petitioner prayed for issue of wirt in the nature of mandamus commanding the opposite parties to grant him licence for stamp vendor.

The grant of licence cannot be claimed as a matter of right and no writ in the nature of mandamus can be issued.

No good grounds, for interference is made out.

The writ petition is accordingly dismissed.
